blood of women the roses go from their checks.
"Is the most common foods of America, the
starches, sugars, table syrups, candies, polished
rich, white bread, soda crackers, biscuits, macaroni, spaghetti, tapioca, sago, farina, degerminated commeal no longer is iron to be found.
Refining processes have removed the fron of
Mother Earth from these impoverished foods,
and silly methods of home cookery, by throwing
down the waste-pipe the water in which our
vegetables are cooked, is responsible for another
gra iron loss.

getables are cooked, is responsible to a tron loss,

"Therefore you should supply the iron defiiency in your food by using some form of
eganic iron, just as you would use salt when
our food has not enough salt."

Dr. A. J. Newman, late Police Surgeon of the
City of Chicago and former House Surgeon,
lefterson Park Hospital, Chicago, in commenting
an Nuxated Iron, says: "It has been my jartherefore the property of the coast six years to assist

markable and wonderfully effective remedy."

Dr. T. Alphonsus Waliace, a physician comany years' experience in this country and abroad, says: "I do not make a practice of recommending advertised medical producet, but I have found Nusated Iron so potent in nervouring-down conditions, that I believe all shough know of it. The men and women of today need more iron in their blood than was the care twenty or thirty years ago. This is because of the demineralized diet which now is served dails in thousands of homes and also because of the demand for greater resistance necessary to offer the greater number of health hazards, to be met at every turn."

If provide would only take Novated Iron.

If people would only take Nuxated when they feel weak or run down, insti-docing them-selves with

know it.

If you are not strong or well you ove it it or yourself to make the following test: See how ions you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary Nuxsted Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained. I have seen dozens of nervous, run-down propile who were alling all the while increase their strength and endurance in from ten to fourtiest days' time while taking iron in the proper form. And this, after they had in some cases been going on for months without getting benefit from anything. Many, an athlete and prine-figure has won the day simply because he knew the secret' of great strength and endurance which comes from having plenty of iron in the blood, while many another has gone down in inglorious offects simply for lack of iron.

MANUFACTUREES' NOTE: Nuxated Iron.

MANUFACTURERS' NOTE: Nuxated

"But in my opinion you can't make strong, vigorous, successful, aturdy iron men by feeding them on metallic iron. The old forms of metallic iron must go through a semi-digestive process to transform them into organic iron—Nuxated Iron—before they are so ready to be taken up and

through an endigreement of failed to get results, remember that such products and degreement of failed to get results, remember that such products are an entirely different thing from Nux-Police Surgeon of the C. Jaques, for-Qity of Chicago and for-merly Visit-mer House Surgeon, Jef-ing Surgeon of St. Elizabeth's Hospital, of New Gerson Park Heapital, St. Elizabeth's York City said: "I have never before given Chicago.
